ABOUT BMEC

A Modern Pathway to Global Education

Founded in 2012 in Baku, Baku Modern Educational Complex brings together national and international education pathways in one learning community. Our aim is to combine strong academic foundations with critical thinking, innovation, global-mindedness and student development.

SINCE 2012 GRADES 1-12 AZ | RU | EN

Three Language Sections

Learning opportunities across Azerbaijani, Russian and English-medium sections.

International Pathways

Cambridge programmes, the IB Diploma Programme and globally recognized examinations.

Future-Focused Learning

A learning environment designed around academic achievement, technology and student growth.

What defines BMEC

- A continuous education pathway from primary through high school.
- International programmes alongside the Azerbaijani National Curriculum.
- Authorized examination opportunities for AP and SAT.
- International olympiad participation and academic enrichment.
- Quality-management culture supported by ISO standards.

ACADEMICS

International Academic Programmes

BMEC provides internationally recognized academic pathways that support students from the primary years through university preparation.

Cambridge International School

A complete Cambridge pathway from Grades 1 to 12, including Cambridge Primary, Lower Secondary, IGCSE, AS Level and A Level.

IB World School - Diploma Programme

The International Baccalaureate Diploma Programme offers a rigorous, globally focused pre-university education pathway.

A continuous learning journey

Students develop subject knowledge, communication, research, problem-solving and independent learning skills through programmes designed to prepare them for higher education and an increasingly global world.

PRIMARY > LOWER SECONDARY > IGCSE > AS & A LEVEL / IB DP

EXAM CENTRE

Examination & Academic Opportunities

AP Exam Centre

Authorized access to internationally recognized Advanced Placement examinations.

SAT Test Centre

An official SAT test centre supporting students on their journey to universities worldwide.

Fibonacci Olympiad

International academic competition opportunities and a platform for students to demonstrate their knowledge globally.

Beyond the classroom

BMEC supports students not only through curriculum delivery, but also through external examinations, competitions and university-readiness opportunities. These experiences help learners benchmark their skills internationally and build confidence for the next stage of education.

QUALITY

Quality, Recognition & Standards

ISO 9001

Certification reflecting BMEC's commitment to internationally recognized quality-management standards and continuous improvement.

ISO 10002

A framework supporting effective complaint handling, responsiveness and transparent engagement with students and parents.

WASC-Accredited School

BMEC is committed to internationally recognized standards of educational quality and to a culture of reflection, improvement and accountability.

STUDENT EXPERIENCE

More Than an Academic Programme

A community built for growth

BMEC aims to create an environment where students can grow academically, socially and personally. Through technology-enhanced learning, international opportunities, student activities and a supportive school community, learners are encouraged to become confident, responsible and globally minded.
